

Weissbierbrauerei Hopf

Nestled in the foothills of the Alps is the 100 year-old brewery Weissbierbrauerei Hopf. Owner Johann Hopf and his forefathers have been diligently producing the world's most awarded wheat beer using their own proprietary yeast and adhering to the German Purity Law of using only five ingredients: wheat malt, barely malt, Alps water, yeast and hops.

Hopf Helle Weisse

ABV 5.3%

Our traditional Bavarian wheat beer has subtle flavors of banana and fruit which comes from the special processing of our private yeast culture. A smooth, refreshing taste with Champagne-like bubbles makes this beer a great thirst quencher that goes extremely well with food.

Hopf Dunkle Weisse

ABV 5.0%

An authentic dark wheat beer. This unique brew is made only from **dark malts** which gives it the rich color and a surprising gentle-on-the-palate **cocoa** flavor with keen **spice** overtones.

Hopf Spezial Weisse

ABV 6.0%

The extra-special Spezial Weisse beer with its red-golden color and effervescent quality is a full-favored beer made from our exclusive Caramel malts which give the Spezial a strength and fruitiness that goes down so smoothly. The Spezial is available August to November. It is meant for festivals, parties and lively get togethers.

Hopf Weisser Bock

ABV 7.0%

Our Hopf Weisser Bock is a traditionally strong wheat beer with a beautiful red and gold color. It's our richest tasting beer with a slightly sweeter finish and complexity that the sophisticated beer drinker finds irresistible. But you have to hurry for this special brew is available only in December to March.
