

# LAST OF THE MÄRZEN

The Schönramer Brewery of Bavaria has kept the long tradition of the Märzen-style beer alive with its special Festbier brew.

The alchemy begins with roasting the Barka malt until it transforms into the Vienna malt, with its fuller, deeper malt aroma.

Then it is gingerly lagered for 12 weeks before it is ready to drink. And, with a 6.2% ABV, what a drink it is.
